

C-PAB Zoom meeting notes June 16, 2021 at 10:00AM

Meeting connected at 10:01am. But had no audio.

Those who joined-in could hear each other but not those at Mission. They couldn't hear attendees and attendees couldn't hear them either.

Rebooted 3 times but didn't help so Co-Chair had no choice but to cancel.

Zoom was cancelled by 10:18AM
