Grand theft auto issue:

- Grand theft auto is up 16% compared to last year
- The main vehicles being stolen are Hyundai and Kia
- Out of 125 stolen cars 46 of them were Hyundai or Kia

Community Questions:

- How are you guys measuring crime stats ? It goes back over the years and violent crimes are down over 15% from last year and this year we are already at 21%. Robberies

down by 33%. Aggravated assault down 8%. Homicide rate is up.

- Why do you guys think these cars are being specifically targeted ? Dealerships have said Hyundai and Kia have an easy system to bypass.

SLO Officer update: Officer Martinez
