Basic Car Crime Trends: Residential burglaries and theft from vehicle

Burglary Theft from Vehicle (BTFV): An automobile is not a safe place to leave valuables even for a few moments-they will be stolen. Do not leave ANY personal property- including bills and mail, visible in your vehicle. Avoid becoming a victim- Lock your vehicle and secure all items of value out of sight, in the glove box or trunk.

Protect yourself from ID and Credit theft

Criminals scavenge through our trash and recycling bins on trash day. Please shred all papers thrown in the trash or recycling bin that contain personal information. If you see someone going through yours or your neighbor's trash immediately call (877) 275-5273 and request a Patrol car in your area.

Never give out your PIN, birthdate, social security number or other personal ID over the phone or in response to a text or email. When filling out forms question why the information is ask for and if it is required. Do NOT carry your Social Security card with you. You are allowed one free credit report yearly from each credit company: 1-877-322-8228, www.annualcreditreport.com

When mailing bills, items with checks or personal information- Do not use Postal drop boxes after the last scheduled pick up or on weekends- use the slot located inside the Post Office.

When using an ATM: be cautious, go in the daytime with a friend who can look out. If you are alone or at night choose a well-lit and visible ATM. Inspect for tampering, if you feel something is wrong cancel the transaction and find a different machine. There is a secure ATM available to the public in the Mission Station lobby 11121 N. Sepulveda Blvd.

Community Awareness is the Key to Crime Prevention

A Neighborhood Watch of One- You can make a difference.

Do not depend on your neighbors to call the police. Responsibility starts with YOU! Keep an eye out for suspicious people and vehicles in your neighborhood and take action!

What you can do:

- Pay attention to what is going on in your neighborhood. Be aware of pedestrians and vehicles, joggers and bicyclists, vans and delivery trucks, juveniles out during school hours.
- A license plate number can crack a case. If it is safe- collect and report details including the number and description of suspects, vehicle description, license plate numbers and distinguishing marks.
- If you see someone knocking on doors on your block or other suspicious or criminal activity immediately call LAPD non-emergency dispatch: (877) 275-5273 (1-877-ASK-LAPD).
- Call 911 for emergencies, immediate threat or if you believe a crime is in progress.
- Neighbors who know each other are more likely to watch out for each other. Get to know your neighbors, and then get them involved. Create a neighborhood roster and

phone tree to alert your neighbors if you see suspicious persons or activity on your street

- Engrave expensive electronics such as television sets, DVD players, computers and game consoles with your California Driver License or an identifying mark. This will make your items identifiable for the police and returned to you.
- Communities with a Neighborhood Watch are better prepared and a less desirable target for criminals. You will learn ways to protect yourself. The more people we can get involved, the safer your community will be. Sylmar has several Neighborhood Watch Groups

Working together, the Community and LAPD will make a difference.

Quality of Life issues:

Graffiti removal call Sylmar Graffiti Busters (818) 362-8702

Free Bulky Item Pickup: When you need to discard items such as couches, mattresses, etc. call 311 to have them picked up. Wait until the evening before your collection date to put items at the curb.

Abandoned pets: In hard economic times there can be an increase in abandoned pets. These animals were once a part of a family but are scared, confused and hungry. If you encounter an abandoned pet call 311 or Animal Service (888) 452-7381 ext. 145. To assist the animal, leave out a dish of clean water and pet food or cut up scraps. Please Use Caution.

Meetings and links: The Sylmar Block Captains meeting and Neighborhood Watch is Tuesday, Sept. 15, 6:30– 7:30pm at Mission Community Police Station in the Community Room. We will share crime trends and community events. Everyone is welcome.

Crime Trends

Grand Theft Auto continues to be our primary concern at this time. If anyone has any information regarding the GTA suspects, please contact me as soon as possible. Most of the incidents involving Grand Theft Auto are taking place between 8:00 p.m. – 6:00 AM when most people are sleeping. Please be mindful of this and properly secure your vehicles and leave porch lights on to illuminate the area.

From 07/19/15 to 08/15/15, the crime trends were property crimes. The area had 10 Burglaries, 21 Grand Theft Autos, 13 Thefts, and 17 Burglary for Motor Vehicle, 0 homicides, and 7 robbery crime incidents. The Mission Detectives are working hard to solve these crimes. If you have any information that could help us find these criminals, please contact the Detective front desk at 818-838-9810.

Burglary/Theft from Motor Vehicle (BTFV) This crime in most cases is preventable, yet continues to be a serious problem. Don't leave your purse, cell phone or packages in your car, on the back seat or on the floor where potential thieves can see them.

Inspect your credit report. Credit reports contain information about you, including what accounts you have and your bill paying history. The law requires the major nationwide consumer reporting companies- Equifax, Experian, and TransUnion, to give you a free copy of your credit report each year if you ask for it. Experts tell me to use a different company every 4 months, utilizing the free service three times a year: www.annualcreditreport.com or call 1-877-322-8228

Reduce the amount of personal information available by limiting the number of pre-approved offers of credit that you receive. If thrown in the trash identity thieves can use them to open credit cards using your identity. To remove your name from the marketing lists: (888) 5OPTOUT (888-567-8688)

At Home

- Make an inspection of your residence's exterior in the daytime and at night and note areas where someone could hide unseen. Trim bushes and trees to remove hiding places and add exterior lighting.
- Check to make sure the contents of your residence are not visible from outside.
- Lock your doors and windows and set your alarm every time you leave.
- Put an interior light on a timer so your residence is not dark when you are out.
- Put a lock on your gate.

- Remember to bring in your trash cans on trash days. Trash cans left outside tell burglars no one is home.

Report suspicious vehicles and/or persons in your neighborhood by calling the LAPD non-emergency number at 1 877-ASK-LAPD (1 877-275-5273). Please share this information with family and friends.

Hello everyone, I hope you are all doing well. I want to begin by thanking all those who helped make this year's National Night Out a huge success. This year's event was our 10th Annual National Night Out. It was held on Tuesday, August 4, 2015, at the Andres Pico Adobe in Mission Hills. Despite the heat, we had several hundred community members in attendance. So whether you were there volunteering your time or just attending the event, thank you for coming out and being a part of such a great event. I enjoyed seeing and speaking to all those that attended the event. A special thanks to Betty Ley for coordinating such a successful event.

I want to remind everyone that most of the schools in our area are now back in session. With that being said, please watch your speed near school areas and always look out for young children walking to and from school. Please remember to "SLOW DOWN".

Remember the telephone number to Mission Station front desk is (818) 838-9800. You may call the station directly to obtain general information, crime related advice and to make crime reports.

The Mission Hills Neighborhood Watch meetings take place on 4th Tuesday of each month at Mission Community Police Station Community Room and begin promptly at 7:00 p.m. If you have any questions regarding joining or creating a neighborhood watch group in your area, please do not hesitate to contact me at (818) 838-9843. Our next meeting will be Tuesday, August 25, 2015.

Crime Update:

At the moment we are currently up in total crime from a year ago. We are at (+ 5%) from last year. Last year in 2014, we had a total of 326 Part-1 crimes in the Mission Hills Area. So far this year, we have had a total of 345 part-1 crimes. The hottest crimes at the moment are Burglaries & BTFV (Burglary theft from motor vehicle). The area being targeted the most is Sepulveda Bl to the 405 Fwy, and Chatsworth St to Mayall St Most of these crimes have occurred between the hours of 6 PM to 6 AM. Please remember to lock and secure your vehicles while parked overnight. If possible, park your vehicle in your driveways or near well-lit areas. Also, don't forget to lock and secure your residence doors and windows when leaving the house. Once again, personal responsibility is the best prevention to becoming a victim.

We have made numerous narcotic arrests this period. The LAPD Drug Buy Team has been working the area and has made several arrests for drug sales! Continue to Hide it, Lock it and Keep it! You can also call them to report the encampments at (818) 771-0236. We need to keep the community clean!

We are trying to improve North Hills Park. Please contact your local Council Office 6 at 818 771-0236 and let them know that park safety is a priority. I need your voice so that the city will staff and open youth programs at the park again!

Graffiti is a big problem in North Hills. If you see graffiti, please report it! The faster we can remove the graffiti, the more it will discourage other graffiti from going up. Please call Graffiti Busters at 311.

Trash in the area has increased. Please call 311 and report your bulky items, such as couches and furniture, for free pick-up. It keeps the neighborhood clean and a clean neighborhood is a safer neighborhood! Especially Apartment Managers! Please be good neighborhood leaders and lead by example. Crime Update

Aggravated Assault is on the rise! There is no excuse for Domestic Violence! Please contact Mission Station for resources and advise if you are in an abusive relationship.

Crime Prevention Tip

Attend Neighborhood Watch! It makes a difference when we all work together to prevent crime. Please make sure that your vehicles are locked when parked on the street. Report suspicious activity and call 1(877)-ASK-LAPD.

Crime Trends/ Statistics:

BFMV and Burglaries have continued to increase in the area along the Van Nuys corridor and the neighborhoods to the east and west of the corridor. I have recently received reports of Burglaries where the victims have left their doors unlocked to their homes. This is one of those situations where the victims could have prevented this crime from occurring.

I am continuing to receive reports of BFMV's where the property taken out of the cars have been lap tops computers, tablets, and other expensive electronic devices. I have also been reading reports that residents have been leaving their windows down due to the heat. Many of these residents have become victims of theft from their motor vehicles. This is just another reminder to protect your personal information and your property. Please secure your vehicles. **DON'T BE A VICTIM OF THIS TYPE OF CRIME.**

Crime Updates:

On several occasions I have conducted foot beats in some apartment buildings along the Van Nuys Corridor. I have noticed in some of these buildings the front security door for the building were propped open allowing anyone access to the complex. In these same buildings I noticed that the front doors to some apartments were unlocked allowing someone to enter your actual unit. Please, don't be a victim and remember to secure your front door to your residence. Remind your neighbors to do the same.

Crime Prevention Tips:

Remember to lock your doors and windows, don't leave valuables in plain view, be aware of your surroundings, and report suspicious behavior. To report any suspicious activity call LAPD non-emergency number (877) ASK-LAPD or call 911.

Welcome to the Newsletter for Basic Car 19A79 for August 2015.

Crime Trends/Statistics

While 2015 crime has risen in the city Los Angeles, crime is down overall Year-to-Date in Mission Area and specifically in Arleta. Thanks so much for being a part of this! This allows us to focus on other quality-of-life issues in the Arleta area, such as parking, transients, illegal dumping, street vendors, loud parties and street racing.

Protect Yourself! Reminder: When conducting daily activities such as shopping, getting gas, or waiting at the bus stop remember to pay attention to your surroundings. I have seen in just two short weeks a few robberies have been committed in the Arleta area. As a whole division the amount of robberies have gone up, and seeing as the summer time is usually when the spike in crime occurs be sure to protect yourself. A great way to ensure your safety is to monitor who happens to be around you as you go about your day. People who seem distracted or unaware of their surroundings are usually easy targets for those who commit robberies. Don't be a Victim!

BFMV's- There has been a spike in Burglary from Motor Vehicles in Arleta area, and some residents has had recent sightings of individuals riding bikes through certain areas at odd hours and looking into parked vehicles. If you happen to be awake and see any cyclists that appear to be casing or breaking into vehicles call the non- emergency number 1-877-ASK-LAPD.

Disaster Preparedness: With an increase in earthquakes all over California, make sure that you are preparing your house to withstand a natural disaster. Make sure you have at least 7 days of water, non-perishable foods, LED lighting, plastic bags, and a first aid kit.

Report! Report any suspicious activity you see! You can make a difference and help your community by calling 1 (877) ASK-LAPD. Share the info with friends and family. Working together to build safer communities.

HOT TEMPERATURES!!! With the temperatures well into the hundreds, be sure to never leave your child or animals in your vehicle. This could be catastrophic, even if it's for a short period of time.

Do something about illegal dumping by downloading the "MyLA311" app to your smartphone. Simple instructions allow you to report bulky items, the address they were abandoned at, and the app even allows you to snap a photo for Street Services to identify the object(s)!

I would like to thank you for being involved in your community. The LAPD does such a great job reducing crime, but it is with your help that we are able to do so. I know I can count on you to help make Panorama City a safer place to live and work in by being aware of your surroundings. Please continue to be aware of what is happening and who is on your block.

Crime Trends/Statistics

As of 08/15/15, our Basic Car is -14.7 % down in Part 1 crime. We have had 470 Part 1 crimes, year to date. In 2014, at this time, we had 401 Part 1 crimes. I am asking the community to continue to help us with locking up their valuables. One car break-in is one too many. Remember "Lock it Hide it Keep it!" We have seen a rise in the theft of personal documents from inside vehicles, so please don't leave any paperwork with your personal information inside your cars.

Crime Update

During the period of 7/19/15-8/15/15, there were (3) robberies, (10) Aggravated Assaults, (10) car break-in's/thefts (BTFV's), and (7) Grand Theft Autos, particularly Hondas. Most of our crime is occurring on Wednesdays, between the hours of 6 PM to midnight. There were (22) Thefts reported, which include the Shoplifts at our local stores. Thefts are something that the community can help us prevent; one easy way is by simply not leaving your property unattended, or not leaving any valuables out in plain sight when you park your vehicle.

We continue to do foot beats at our shopping centers. This is another way that we are trying to reduce the number of thefts and stolen vehicles in this area. I began a Panorama City Business Watch and held our first meeting, in which we discussed Retail Theft and how the businesses can prevent and deter it. Please contact me for the next meeting date.

Crime Prevention Tips

Thieves often access apartment building parking lots through inoperable gates. Please ensure that all the gates in your complex are working. Magnetic locks are very difficult to break and will last much longer. Cameras are a great investment and have often assisted us in making arrests.

We see a lot of thefts near the Panorama Mall and Wal-Mart. Please keep an eye on your personal property so that it does not get stolen; do not turn your backs to it. I strongly recommend that you get involved in your local Neighborhood Watch. Please see the below list of meetings.

Another way to stay informed is by signing up for the Nixle service, Nextdoor, and Twitter. They are free and they help you receive critical information. Sign up at www.nixle.com and look for "LAPD Mission."

Crime Trends

Grand Theft Auto is up 2.9%. In the last four weeks we had 12 Grand Theft Auto versus 4 in the previous month. If anyone has any information regarding the GTA suspects, please contact me as soon as possible. Most of the incidents involving Grand Theft Auto are taking place between 12:00 p.m. – 11:00 P.M. when most people are shopping at local retail stores. Please be mindful of this and properly secure your vehicles and if you see anything suspicious call 911.

From 07/19/2015 to 08/15/2015, the crime trends were property crimes. The area had 4 Burglaries, 12 Grand Theft Autos, 12 Thefts, and 14 Burglary for Motor Vehicle, 0 homicides, and 2 robbery crime incidents. The Mission Detectives are working hard to solve these crimes. If you have any information that could help us find these criminals, please contact the Detective front desk at 818-838-9810.

Burglary/Theft from Motor Vehicle (BTFV) This crime in most cases is preventable, yet continues to be a serious problem. Don't leave your purse, cell phone or packages in your car, on the back seat or on the floor where potential thieves can see them.

Inspect your credit report. Credit reports contain information about you, including what accounts you have and your bill paying history.
