There is help!

We now have a Victim Assistance Program at Mission Station. The Advocate is Molly Sical and her office number is (818) 838-9954. The program can assist Victims with Restraining Orders and information.

Attend Neighborhood Watch! It makes a big difference when we all work together to prevent crime. Individuals are looking into parked cars and stealing your property. Don't make it easy or attractive for them to break into your cars! Secure and lock them!

Call 311 for pick-up of trash, furniture and debris on YOUR streets! Let's have a safe and clean Holiday season.

Report suspicious activity and call 1(877)-ASK-LAPD.

Remember there is no excuse for domestic violence. Talk to a friend, pastor, or your local support group for relationship problems prior to any violence. You can always call a domestic violence hotline for referrals and assistance 24 hours a day at 1-818-887-6589.

Crime Trends/Statistics

Hello everyone! I've been filling in for SLO Bonffil for February and into March and would like to express my sincere pleasure in everyone that I've met. It's community members like you all that help ensure the safety and security of your community.

Fortunately, Part I crimes are down 8% since last year. Of the Part I crimes, violent crimes are down 8.9% and property crimes are down 7.7%. With violent crimes, specifically, we have seen a 66.7% increase in homicides. With property crimes, we have seen a 1.9% increase in Grand Theft Auto.

Crime Update

It's no surprise that there has been an uptick in gang related crimes including shootings between the local gangs (Blythe Street, Landgon Street, and Columbus Street). What is Mission Area doing to curb the recent uptick in gang related crimes? The Senior Lead Office is working diligently to partner up with the Nuisance Abatement Unit of the City Attorney's Office to identify problem locations and tenants and to take proactive steps to pressure property owners to take responsibility for ensuring the safety and security of their properties and to legally evict the problem tenants. However, as concerned citizens, we implore you to encourage your community members to participate in community watch meetings to help us identify problems.

We are happy to advise that the rear alley / easement (behind old Montgomery Ward's building) on 8430 Cedros Ave has been cleared and you will no longer see illegally parked vehicles. With some research and teamwork, we could identify the part of the easement that is private property. Clearly posted "No parking signs" are now posted.

Crime Prevention Tips

Unfortunately, the joy of giving and receiving gifts during this holiday season quickly evaporate when you realize that you've been a victim of identity theft. If you've been a victim of identity theft you should take the following steps:

- Call the companies where you know the fraud occurred and let them know that someone stole your identity. Ask them to freeze the account so that no new purchases occur. Change passwords, logins, and pins for your accounts.
- Place a fraud alert on your accounts by contacting one of the three credit bureaus:
 - o www.experian.com/fraudalert or by phone at (888) 397-3742.
 - o www.transunion.com/fraud or by phone at (800) 680-7289
 - o www.equifax.com/creditreportassistance or by phone (888) 766-0008
- Get a free yearly credit report at www.annualcreditreport.com or call (877) 322-8228.

Welcome to the Newsletter for Basic Car 19A93 for March 2018

I would like to thank everyone for being involved and making your communities safer. Please invite your neighbors to attend the neighborhood watch meetings and become involved. Be safe and always be aware of your surroundings. **IF YOU SEE SOMETHING, SAY SOMETHING...**

Crime Trends

Grand Theft Auto is up 83% YTD (year to date). Burglaries are up 23% YTD. Below are some precautions you can take to prevent from being a Victim of Burglary. Please report any suspicious activity. The Mission Detectives are working hard to solve these crimes. If you have any information that could help us find these criminals, please contact the Detective front desk at 818-838-9810.

Please lock your vehicles and park in a well-lit area when possible. If you have a garage or a secured parking spot, please park your vehicles there. Grand Theft Autos is a major issue in Basic Car A93. Take all and any precautions to secure your vehicle as best as you can.

Burglary/Thefts from motor vehicles in most cases can be prevented. Don't leave your valuables in plain sight including documents with your information.

Inspect your credit report. Credit reports contain information about you, including what accounts you have and your bill paying history. The law requires the major nationwide consumer reporting companies (Equifax, Experian and Transunion) to give you a free copy of your credit report each year if you ask for it. Experts tell me to use a different company every 4 months, utilizing the free service three times a year. www.annualcreditreport.com or call 1-877-322-8228

As everyone knows, Mission has seen an influx of homeless encampments. Several organizations have offered outreach to the homeless. Some of the

homeless refuse these services and choose to live in those conditions. Some of these individuals contribute to the spike in crime in the area. Please notify myself or City Council if you see an encampment so we can address it as soon as possible.

At Home

- Inspect your residence's exterior in the daytime and at night and note areas where someone can hide. Trim bushes and trees to remove hiding places and add exterior lighting.
- Lock your doors and windows and set your alarm every time you leave.
- Check to make sure the contents of your residence are not visible from outside.
- Put an interior light on a timer so your residence is not dark when you are out.
- Put a lock on your gate
- Remember to bring in your trash cans on trash days. Trash cans left outside tell burglars no one is home
- Secure your vehicles and do not leave anything in plain sight including documents. **LOCK IT, HIDE IT, KEEP IT.**

Report suspicious activity in your neighborhood by calling the LAPD non-emergency number at 1-877-ASK-LAPD (1-877-275-5273). Please share this information with family and friends.
